#### ART AT ST. JOHN'S

Founded in 1999 by Carol Hoffmann-Guzman, Arts at St. Johns has been a beacon of arts and cultural events on Miami Beach. Our mission is to encourage, present and provide a forum for all forms of the arts, with a special emphasis on the diverse traditions of our communities in South Florida and also on the newly emerging art forms that represent the blending of cultures, races, beliefs, and ethnicities in our global community; to encourage the arts as a medium for bringing social, spiritual and personal healing, transformation and reconciliation. We mainly do this by providing local artist an opportunity to creatively design programs, lectures, workshops, and events around improving and expressing social concerns.
